THE RNA SOCIETY
18TH ANNUAL MEETING
DAVOS, SWITZERLAND
11 TO 16 JUNE, 2013

RNA 2013 General Information

The RNA Society is a non-profit, international scientific society with more than 1300 members dedicated to fostering research and education in the field of RNA science. The Society's annual meeting will attract 1000 top researchers from all across the globe, with presentations detailing the very latest discoveries in this field. This is an ideal opportunity for companies to help advance RNA science in a very tangible way, while also having their company more closely associated with top-level research. We invite you to join us at RNA 2013 in Davos, Switzerland.

Exhibitor Registration

Exhibit spaces are 6m² with a table and two chairs, designed to accommodate your pop-up display. Draping, additional equipment, electricity, or multiple spaces can be arranged. Exhibits will be located in a high-traffic area amidst 600 scientific posters and coffee breaks, and adjacent to the registration desk.

Exhibitors are welcome to demonstrate instruments, equipment, systems, books, software, etc. however the sale of

products and services is prohibited in the exhibition area. Exhibits may be displayed for any or all days of the conference.

Each 6m² space includes badges for 2 exhibit attendants to access the exhibition area including poster sessions and coffee breaks. Registration for exhibit attendants who wish to submit an abstract and/or attend oral sessions and meals should be done separately on the conference website: www.rnasociety.org.

Advertising

The program/abstract book will be approximately 400 pages, A4 size and printed in English. Ad space is available on the back cover, inside front or back covers, and half- or full-size inside pages. Both print and electronic format will be offered to all attendees. Alternatively, consider a leaflet or logo item to be inserted in registration packs, or sponsor a banner at the conference site or a web page banner.

Other Ideas

Sponsor any of the events or attendee gifts listed on the following page, or fund an award, travel fellowships or other support for young scientists. We are open to suggestions and will appreciate working with you on any ideas for supporting the meeting.

Artwork

If your selection includes an ad in the abstract book, ads will be accepted in EPS or Illustrator formats for line art, or in 300 ppi TIFF, JPEG or PNG formats for line art and photos. Contact us early if other formats are required. We recommend that you send us contact information for the graphic artist who created your ad, in case we have questions. Page assignments will be determined by the Society.
