

RNA 2022 3-FOR-2 GROUP REGISTRATION INCENTIVE

Dear colleagues,

To encourage the greatest level of participation in our annual meeting, the **RNA Society** is offering a **3-for-2 Group Registration Incentive** to attend RNA 2022 in person. This program, sponsored by the **RNA Society**, provides a registration refund for current Lab Heads/PIs who attend the meeting and bring two or more additional members from their labs to RNA 2022 in Boulder, Colorado from May 31st to June 5th, 2022.

Eligibility:

- The three paid RNA 2022 meeting registrants must be members of the same research group/lab, and one of the attendees must be the PI or Lab Head who is a current and Full member of the **RNA Society**. To renew your **RNA Society** membership click [here](#) or become a first-time member of the **RNA Society**, click [here](#).
- Only one registration will be refunded per research group/lab. The refunded amount will be determined by the lowest registration fee paid by the three meeting participants.
- Recipients of an **RNA Society** Research Showcase Fellowship (which waives registration fees) are not eligible to also participate in this program.
- This offer is available only to RNA 2022 meeting participants residing **outside of the USA**.
- Reimbursements will be issued shortly after the conclusion of RNA 2022 and refunds will be made to the credit card used at the time of registration. Due to fluctuations in foreign currency exchange rates, refund amounts may vary from the original cost of registration.

Requests for the **3-for-2 Group Registration Incentive** should be indicated for all participating lab members on the meeting registration form. Eligibility will be evaluated based on confirmation of payment of RNA 2022 registration fees, membership status of participants and attendance at the meeting. Notification of eligibility and refund will be made by June 30, 2022.

Look forward to seeing you in Boulder for RNA 2022.

Warm wishes,

Kristian Baker, CEO **RNA Society**
